

A Settlement has been reached in a class action lawsuit, *Gergetz v. Telenav, Inc.* Case No. 5:16-CV-4261-BLF (N.D. Cal) alleging that Telenav sent text messages to cellphones in violation of the Telephone Consumer Protection Act, 47 U.S.C. § 227, *et. seq.* that encouraged recipients to download the Scout mobile application to cellphone users who never provided prior express consent and that Telenav continued sending text messages to cellphone users who had responded with a “STOP” or similar command. Telenav denies the allegations. The Court has approved the Settlement, which could impact your rights whether you act or not. This is only a summary. Visit the website below for the full notice, to file a claim and to view important documents.

**How Do I Know if I am a Class Member?** You are a Settlement Class Member if you resided in the United States and received a text message between July 28, 2012 and March 5, 2018 (a) that included a link to <http://scoutgps.com> and the language “Download Scout to send notifications,” “Connect with [NAME] by downloading Scout,” “To see [NAME]’s progress and communicate, download Scout,” or “Welcome to Scout! [NAME] is using Scout to talk about, plan, and navigate to Meet Ups,” (the “No Consent Subclass”), or (b) you received at least one additional text message other than a message confirming an opt-out request after replying STOP, QUIT, END, CANCEL or UNSUBSCRIBE (the “STOP Subclass”). The full list of Telenav Numbers for purposes of this Settlement can be found in the full notice available at [www.TelenavTCPASettlement.com](http://www.TelenavTCPASettlement.com). After deducting attorneys’ fees, the Incentive Award and expenses and the costs of notice and claims administration, the Settlement Fund will be divided among Settlement Class Members who submit valid claims using a formula and limits explained in the Settlement Agreement. Money remaining after these disbursements will be donated to a Court-approved Cy Pres Recipient.
